The Domäne Wachau is more dynamic than ever before since the duo Horvath and Frischengruber have taken the fate of this cooperative and its members into their hands. Within just a short period of time the Domäne has risen to be among the Big Players on the Danube River. Essential to this success has been a viticultural bonus program and attentive quality management. The key words here are authenticity and terroir. The elevation and the steepness of individual vineyards is paid tribute and all plots are vinified separately. Manual harvest and diligent selection are essential for perfect fruit. The result is a diverse spectrum of Grüner Veltliner and Riesling that express the uniqueness and versatility of Wachau vineyard sites – top wines that are astounding the wine world.

Despite the fact that the Domäne Wachau possesses the most modern vinification facility in the region, the time-proven philosophy of minimal intervention is still respected as the ideal. Convincing results can be seen and tasted. One has the opportunity to taste the complete product assortment daily – from the light, fragrant Muskateller to the complex Smaragd Grüner Veltliner, from the youthful sparkling Riesling to the aged brandies in the estate Vinothek.

The Vinothek Shop offers a modern contrast to the Domäne's baroque Cellar Castle just opposite. The castle at the foot of the famous Kellerberg vineyard is meeting place for the Wine-Experience-World of the Domäne Wachau as well as home to numerous events including extraordinary vertical tastings. Further information can be found on their website. [www.domaene-wachau.at](http://www.domaene-wachau.at).

Medium yellow-green. Yellow apple and lemon zest aromas are backed by delicate blossom honey and mineral nuances. Quite elegant in the mouth, displaying a juicy texture and refreshing peach fruit. A subtle honeyed element is harmoniously integrated by the wine's fine acid structure. Great finesse and the cool Spitz terroir are expressed in marvelous harmony here. Already offers abundant drinking pleasure, but will continue to gain in complexity over the next 5 years.

### (92-94) Grüner Veltliner Smaragd 2008 Kellerberg

Medium yellow-green with a slightly hazy appearance. Crisp apple, blossom honey and a subtle nuance of grapefruit zest on the nose joined by marshmallow, a hint of dill, black pepper and a yeasty element in the mouth. Elegant acidity plays coyly with sweet fruit in this dry wine, giving the texture a creamy quality. Mango, banana, pepper and minerals persist luxuriously on the finish.
